Two millions, swiftly came the cry, And lightnings flashed from every eye, Our youth so good and brave will stand And guard thee, Holy Border Land. Dear Fatherland, let peace be thine, Brave hearts and true defend the Rhine!

A 1d though my heart should beat no more, so foreign foe will hold thy shore; Rich, as in water is thy flood, is Germany in hero blood. Dear Fatherland, let peace be thine, Braye hearts and true defend the finine! Up looked he to the heaven's bine Where hero-dead our actions view; He swore, and proudly sought the strife— "The Rhine is German as my life." Dear Fatherland, let peace be thine, Brave hearts and true derend the fithine?

While yet one drop of blood throbs warm, To wield the sword remains one arm, To hold the rife yet one hand, No foeman steps upon the strand. Loved Fatherland, let peace be thine, Brave hearts and true detend the kinine!

The oath resounds, the billows run, Our colors flutter in the sun; To Rhin, to Rhine, to the German Rhine, We will protect thee, river mine, Brave hearts and 2 rue defend the Rhine!
